

5. Imagine your friend tells you about a super cool new game that they are playing on social media. You don't have an account, and you start to feel like you're missing out because you can't play the game with your friend. You feel a little sad and left out. What would you do in this situation? **Make a list or draw some things you could do to help you feel better.**

6. If you could create your own social media app, what would it be like, and what would it be used for?

Draw a picture of your app in screen on the left.

7. If young people are going to use your app, it's important that it has good privacy and security settings. **How would you make sure your app is safe for everyone to use?**

8. How do you think the ways that people connect with each other might be different in the future? **Talk to a friend about how people might interact with each other in 100 years.**
