

## Kids vs Adults Weekly News S'Quiz

Hello Squiz Kids Quizzers -

And welcome to the Kids v Adults Weekly News S'Quiz ... your chance to prove who's been paying the most attention to the week that just was.

I'm Bryce Corbett -

You know the drill .... five questions for kids about the wonderful world's happenings of the past seven days, then five questions for adults ... whoever answers the most correct questions takes a victory lap.

Easy as.

Plus - of course - because it's a Friday - we've got all today's birthday shoutouts and all the shoutouts for the weekend coming ... including the birthday reggae tune – because it wouldn't be a Friday without it.

You ready, y'all? Let's do this ...

Alright kids - here are your five questions ...

1. Let's start with a sporting question: all of America - and lots of other parts of the world, stopped earlier this week to watch the big final of the NFL - or gridiron season. What is the name given to the big end of year football game in America?

2. In the podcast this week, Christie told us about how scientists had built a microscopic universe inside a popular online game .. if I told you the object of the game is build structures using blocks, and survive nightfall - which game am I talking about?
  
3. A first edition of the first Harry Potter book sold for over \$41,000 at auction earlier this week in London. Which is the first Harry Potter book? Is it a) The Prisoner of Azkaban b) the Half Blood Prince or c) the Philosopher's Stone?
  
4. We heard in the podcast this week how the entire country of Sri Lanka was thrown into darkness after which animal snuck into a power station and caused all sorts of damage? And I'll give you a hint: Curious George is one, so is Aladdin's little buddy, Abu.
  
5. We heard in the podcast yesterday about the Invictus Games, taking place in Canada. Name the prince responsible for organising them. Is it a) Prince Bob b) Prince Harry or c) Prince Ali, fabulous he, Ali Ababwa.

Answers:

1. The Superbowl
2. Minecraft
3. c) the Philosopher's Stone
4. Monkey
5. Prince Harry

Alrighty ... how did you go kids? Smash it out of the ball park? Feeling pretty cocky? Let's see how the big people go ...

STING

Alright adults - now it's your turn ... time to show those kids who's boss ... ..

1. Back to the Superbowl - and name the team that won this year's NFL championship?
2. The Eagles boasted an Aussie team member, Jordan Malaita - originally from Bankstown, from a family that hailed from which Pacific Island nation?
3. Which two Aussie export products were in US President Donald Trump's tariff cross-hairs this week?
4. Aussie footballer Sam Kerr faced court in London this week - was she eventually found guilty or not guilty?
5. In possibly the strangest story of the week - a Bryan Adams concert in Perth was cancelled this week because a) extreme heat b) a fatberg in the sewers which caused pipes near the venue to back up or c) no one bought any tickets.

Answers:

1. Philadelphia Eagles
2. Samoa
3. Steel and aluminium
